

Service Project Proposal Form

Local Community

Name: _____

Date: _____

Some local organizations that I have been involved with are:

Some needs that I see in my community are:

I would like more info about these community organizations:

Some places that my friends have done community service at are:

I think that I will serve my community by _____
and will contact the organization responsible for that program by _____ (date) for more information.

REFLECTION:

After you complete your service project in your local community, reflect on the following questions: Why did you choose this organization to serve with? What did you do? How did your service positively effect your community? What did you learn about your community in the process of completing your project? Would you serve with this organization again in the future? Why/why not?

(Please use the back of this form to complete.)
